

COMMERCIAL FOODSERVICE EQUIPMENT

CUSTOM MOBILE SINK WITH WATER CIRCULATION SYSTEM

Hotel | Restaurant | Cafe | Catering | Villa dll

Manfaat Utama

1. Fleksibel

Bisa ditempatkan di berbagai area tanpa harus membuat instalasi sink permanen.

2. Lebih praktis untuk kebersihan

Fasilitas cuci tangan dapat diletakkan lebih dekat dengan area aktivitas.

3. Mudah dipindahkan

Roda membuat unit lebih mudah dipindahkan ketika layout atau kebutuhan area berubah.

4. Tampilan profesional

Material stainless steel memberikan tampilan yang bersih, modern, dan cocok untuk lingkungan komersial.

5. Cocok untuk berbagai kebutuhan:

Restaurant & café
Catering
Hotel
Event & exhibition
Food stall
Commercial kitchen
Outdoor kitchen
Area produksi makanan
